Alma Mater

High upon a hill is standing
 Our dear old High School true;
 And our thoughts will be returning
 Many times to you.

Sing her praises, lift her chorus
 Over hill and dale.
 Hail to thee, our dear old High School,
 Hail to thee, all hail!

This Is OHHS

Only a photograph of a building, you say? How mistaken you are! To an outsider, yes, this is just another building - but to the students of Oak Hill High School it means much, much more. The friends made here, the achievements won, the disappointments suffered (but wisdom gained), and the knowledge acquired here have made OHHS a very special building.

It would be hard to forget the crowded halls, . . the hours wasted during study hall . . the assemblies, . . the excitement of a close game, . . the bumpy bus rides, . . the cramming for tests, . . the discussions in class, . . the mad scramble for the door, . .

And so, here is your book, THE 1959 OAK LOG, which we give to you so that you will never forget this past year in good old OHHS.

MRS. GLADYS SAWYER

Dedication

Because she is loved by all who know her;

Because she always has a smile and a word of encouragement for her students and fellow teachers;

Because she has influenced us to work toward greater achievements;

Because she is understanding and sympathetic toward the trials of others;

Because she has taught us willingly, faithfully and with fullest capacity;

Because she has worked with unceasing efforts to help us in any way possible;

Because she has helped fill our high school years with happiness;

We, the Senior Class of 1959, with hearts overflowing with love, gratitude, and admiration, wish to dedicate this, the thirteenth edition of THE OAK LOG, to Mrs. Sawyer.

Superintendent's Message

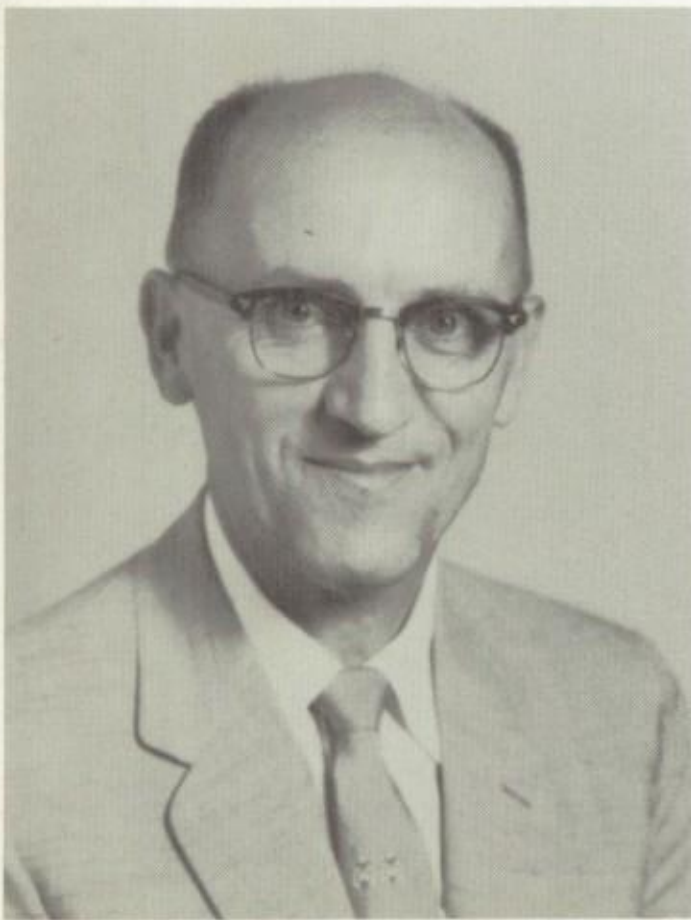

To you, another graduating class of the Oak Hill High School, I extend hearty congratulations and best wishes.

No class has ever faced a greater and more uncertain future than you, for in this scientific age more changes are sure to come in your lifetime than at any other period in history.

It is my hope that you will prepare to meet any and all challenges.

C. M. Abernethy
Superintendent

Principal's Message

It has been a rare privilege of mine these 12 years to watch your lives develop into what I hope will be men and women who will not shrink from your responsibilities in a world out of joint, but rather men and women who shall make of your responsibilities opportunities to bring order out of chaos and to promote harmony and goodwill where discord and hatred now prevail. To this end may you dedicate your life and talents.

Sincerely,
C. C. Huskins

Our Coaches

COACH GARY REID

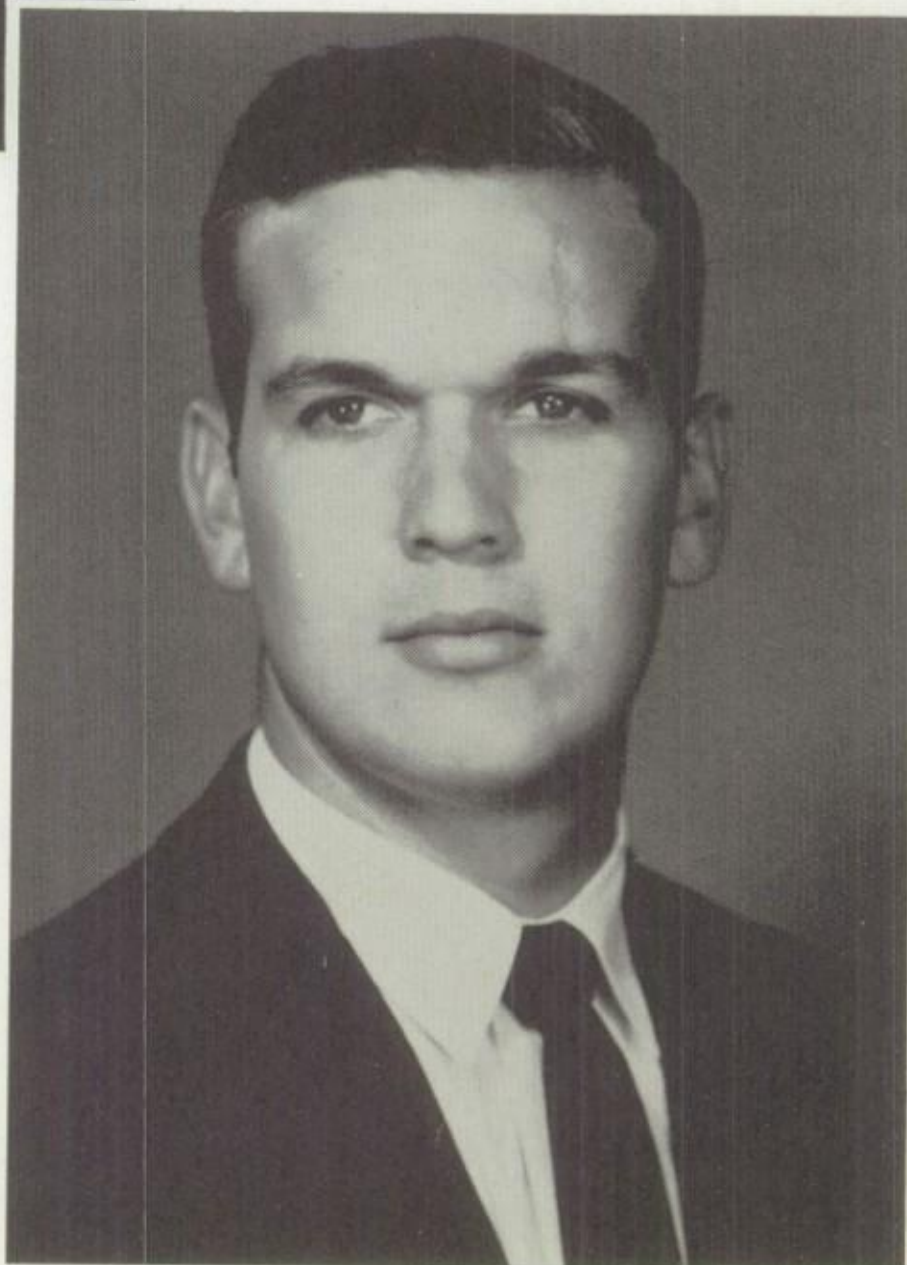

Coach Reid graduated from Oak Hill High School in 1954. After attending Appalachian State Teachers College for four years, he returned to Oak Hill to coach boys' and girls' basketball. He has succeeded in building two very good teams. Coach Reid is also doing an excellent job as head of the science department.

He has made a place for himself among the students as well as among the faculty.

COACH DEAN EDMISTON

After his graduation from high school, Coach Edmiston attended Appalachian State Teachers College. He is now employed as football and baseball coach at Oak Hill High School. This year Coach Edmiston led the football team through a very successful season. He also teaches health and physical education, World History, and citizenship.

Coach Edmiston is liked and respected by students and faculty for his pleasant manner and effective teaching.

Oak Hill Tops Celeste Henkel Team 39 To 38

An extra point spelled the difference as Oak Hill edged Celeste Henkel 39-38 last night in a Catawba Valley Conference game on the Granite Falls football field. It was the initial victory for the Caldwell County Yellow Jackets who dropped their opener to Scotts.

Two of Oak Hill's points - after-touchdown were tallied by Doug Taylor and one by Johnny White. The invaders converted only twice.

The game's tempo was set on the opening kickoff which Burnett of Celeste Henkel returned 65 yards for a touchdown. Oak Hill came right back with Ed Andrews going the final three yards of a 45-yard march. Marr rambled 35 yards for Celeste Henkel's second tally in the first period.

The second quarter saw Oak Hill score twice, first on a recovered fumble that Max Taylor carried 35 yards into paydirt and later on a five-yard run by Doug Taylor. In between Burnett ran across to cap a 45-yard Celeste Henkel drive.

With Oak Hill leading 20-19, Celeste Henkel went 60 yards with Marr going over early in the third quarter. Andrews climaxed a 55-yard Oak Hill march from five yards out and Burnett retaliated by scoring twice for Celeste Henkel, returning a kickoff 75 yards and facing 25 yards from scrimmage.

The Yellow Jackets dominated play in the final period. Doug Taylor went for five to tally and Andrews made the last three yards of another scoring march.

Andrews counted for three touchdowns, Doug Taylor two and Max Taylor one for Oak Hill. Johnny German, Max Reid and Johnny White were outstanding on defense while White and Larry Smith stood out as pass receivers.

Burnett scored twice for Celeste Henkel and Marr twice.

Patterson Beats Oak Hill 25-0 In '58 Opener

Opening their 1958 season with a rush, the Patterson Bulldogs ran over Caldwell County neighbor Oak Hill 25-0 Friday afternoon in a Catawba Valley Eight-Man Football Conference game at Patterson. It was the second loss against one victory for the Yellow Jackets.

Oak Hill threatened twice. The Yellow Jackets lost the ball on downs on the three, and Patterson intercepted a pass that ended a drive on the 10.

For Oak Hill Doug Taylor and Ed Andrews were outstanding on offense and David Swanson and Max Taylor on defense.

Oak Hill Eight Romps Over Cliffside 34-6

The Oak Hill Yellow Jack spotted host Cliffside one touchdown in the first quarter, then came back to roll to a 34-6 Catawba Valley Conference victory Thursday. Oak Hill will close out its season next Thursday afternoon at Tri-High.

Fisher went 42 yards for Cliffside's lone tally yesterday.

Oak Hill staged two drives in the second period to hold a 14-6 halftime margin. Eddie Andrews scored both from one yard out following marches of 50 and 30 yards. Doug Taylor ran both extra points.

The Yellow Jackets completed their scoring with three touchdowns in the third quarter. Andrews made the first from two yards out at the end of a 35-yard drive. He passed to Marcus Deal for the other two, one play covering 35 yards and the other 30. Taylor ran across two of the extra points.

Andrews, offensive star along with Taylor and Deal, also intercepted two passes. David Swanson picked off four Cliffside aerials.

Oak Hill Edges Salem 26 To 25

Johnny White sped 12 yards for a touchdown and added the extra point on a run late in the final quarter to give Oak Hill a 26-25 Catawba Valley Conference triumph over Salem last night at Granite Falls. Only three minutes remained when the winning point was scored.

Oak Hill tallied first in the eight-man game and was ahead 13-12 at the half.

Doug Taylor went six yards to cap a 78-yard march by the Yellow Jackets in the first period. Taylor ran the point and his team led 7-0.

Salem scored twice in the second on runs of 35 and 6 yards by Byrd. In between Taylor raced yards for another Oak Hill tally.

In the third quarter Eddie Andrews passed to Max Taylor on a touchdown play covering 45 yards but Salem pulled ahead with two fourth quarter touchdowns. Duceworth went 25 yards for one and Shuping 10 yards for the other.

That set the stage for White tying and winning points.

The scoring leader is Rudisill with 78 points followed by Jackson with 54 points. Rudisill is also the favorite receiver of passing leader Huffman, pulling in nine passes for a total of 128 yards.

Should reserves be the deciding factor, Hickory has a good chance since many have a great deal of playing experience.

Oak Hill Beats Kings Creek 20-0 At Homecoming

Oak Hill scored in each of the second, third and fourth quarters last night at Granite Falls to celebrate Homecoming with a 20-0 victory over Kings Creek.

Miss Caroline Laws was crowned Homecoming Queen at halftime by Principal C. C. Huskins. The intermission entertainment also included a "womanless queen" staged by the Oak Hill PTA. The "queen" and attendants were driven onto the field in a 1920 Maxwell automobile owned and chauffeured by Fin L. German.

Eddie Andrews went one yard to cap a 35-yard scoring drive in the second quarter. Johnny White scored from eight yards out, climaxed a 30-yard march in the third period. Andrews went across from nine yards out in the fourth period. Doug Taylor ran for two extra points.

Andrews and David Swanson, who intercepted two passes, were outstanding for the Yellow Jackets.

Oak Hill Tops Harmony 14-6

The Oak Hill Yellow Jack scored twice in the first half then coasted to a 14-6 Catawba Valley Conference victory over host Harmony last night. It was the second win of the season for the Caldwell County eight-man club.

Ed Andrews sneaked over from the one to cap a 40-yard drive in the first quarter. Doug Taylor ran the point across.

Late in the second period Johnny White went the final eight yards of a 30-yard drive, and added the point with a run.

Harmony went 25 yards in the third period with Snow making the final yard.

Defensive guard Eddie Bradford and offensive center Clarence Winkler, both seeing extensive action for the first time as a result of injuries, performed well for the Yellow Jackets. Quarterback Andrews, hampered by a knee injury played only part of the game.

The boys' varsity basketball team, which has been County and Tournament Champions for the past two years, seem to have a very good chance to be champions again this year. Class Poem

Upon the rocky road of life we start
With fear and determination in our heart;
Our carefree school days will too soon be done
No more to warm our hearts with friends and fun.

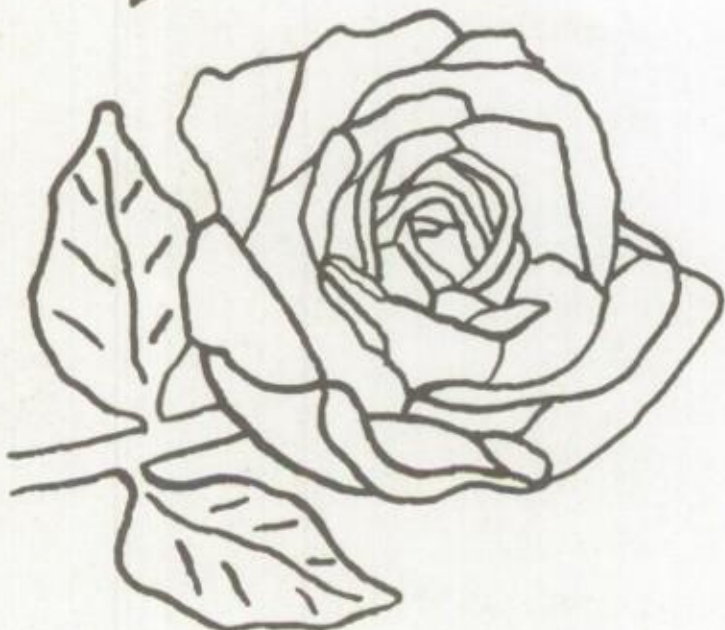

Strive ever to succeed is now our call;
To put forth time and effort lest we fall;
Show kindness both to friend and foe,
For this can mean more than success, you know.

But stop, let's go back once more.
Call back the thoughts of friends we knew before.
Each day, each deed, made friendship closer till
Our dreams and plans all centered in Oak Hill.

When rough and weary days upon us fall
As we trudge along life's way, we shall recall
The friends and memories (that time cannot fade)
And Oak Hill High where our destiny was laid.

Class History

In the fall of 1955, when three groups of scared, lost freshmen were united to form the class that was to become the Senior Class of 1959 the freshmen from Dudley Shoals and Lower Creek were gladly welcomed by those from Oak Hill. Sixty-eight strong, we managed, under the guidance of Mr. Wayne Austin and Mr. Dave Thomas, our sponsors, and Jimmy Starnes, our president, to survive the year which ended with an unforgettable day at Chimney Rock.

Four Years of Presidents

Our Sophomore year was a little more exciting, for now our goal was only three years away. Faithfully guiding the fifty-nine of us through that year were our sponsors, Mrs. Gladys Sawyer and Mr. Gene Linney, and our president, Marcus Deal. To celebrate the end of our Sophomore year, we again took a trip to Chimney Rock, where we had an enjoyable time.

When, after a short vacation, we returned to school for our Junior year, we found that we now had only forty-five members. We had gained a member, Johnny German, who was a transfer from Lenoir High. This was a year of many trials and tribulations, but Mrs. Nelda Dula and Mrs. Dave Thomas, our sponsors, and Douglas Taylor, our president guided us well and we made it. Two events stand out in this episode of our school career, the Junior-Senior Banquet and our trip to Winston Salem.

Finally, September 3, 1958, arrived and we were seniors! We were too excited to do much work the first few days, but we soon settled down to the tasks before us. THE ECHO and THE OAK LOG had to be published, and money had to be made for our trip to Washington and New York. We found that a transfer from Granite Falls, Janelle Smith, had joined our class, which now had a total of forty-three members. This year we were under the guidance of Mr. Gary Reid and Mrs. Lillian Rupard, our sponsors, and George Brown, our president. How well we have done our job and what contribution we have made history will record. For now, let us say, "We are glad we had the opportunity."

We should like to extend our thanks to our parents, who have sacrificed much, and to our teachers, who have guided us so faithfully through these years. We shall be eternally grateful to both of you.

Class Prophecy

It is now 1969. What a great change has taken place in the lives of the seniors of 1959!

"Clarence, come with me down the street and see what they are doing."

"A good suggestion."

"Oh, yes! Doug Taylor is president of Taylor Lumber Company, the largest of its kind in the South. Doug owes part of his success to his faithful foreman, Ed Andrews.

"That fellow in the \$90.00 suit is Gerald Kirby, wealthy sports car dealer. With him is Mike Bowman and Basil Kirby, millionaire racing and beagle dog enthusiasts.

"Johnny White and Billy Martin, player and scout for the New York Giants, are going into the sporting goods business.

"There is Barbara Lee Bowman, Vergie Haigler, and Linda Laxton, very efficient secretaries at Kent Coffey's, Broyhill's and American Oil Company.

"Reece Miller and Kenneth Richards own the largest trucking line in the South.

"And there is Dal Benfield, famous captain in the Air Force, and Richard Munday and Zane Stafford, ace jet pilots.

"Johnny German has taken over his father's business, and Clarence Cannon is the world's champion heavy-weight boxer.

"Those two fellows who just passed in the '69 Cadillac are David Swanson and Clarence Winkler, owners of the largest chain store in the world.

"That man who just went into the Post Office is Emery Eller, textilist.

"Janelle Smith and Lorene Johnson are now successful housewives.

"Ann Sigman and Mark Deal are now physics professors at N. C. State College.

"Nancy Livingston and Wanda White's picture is on the cover of four of the latest magazines. They must have done well as models.

"Here's Jerry Bolick and Donald Lee Harris. Jerry is teaching chemistry and biology at Oak Hill, while Donald Lee owns the best garage in Granite Falls.

"There goes Lillian Haas, a food specialist for Gerber's, and Jeanette Nelson, shipping clerk for Blue Bell, Inc.

"Those two fellows in the pink convertible are Roger Brookshire, an electrical engineer with Western Electric, and Horace Stafford, Secretary of State.

"Here comes Donald Myers, an engineer with Southern Railway and Mack Reid, manager of Blue Ridge Electric.

"Linda McCrary is head nurse at Richard Baker Hospital and Margaret Miller is owner and operator of an exclusive beauty salon in Charlotte.

"Those two men coming down the street are Jimmy Starnes and Lawrence McGee. Jimmy is the most successful farmer in Caldwell County and Lawrence is a noted agricultural engineer.

"There's Wanda Brookshire, fashion editor for MADEMIOSELLE, and Brenda Triplette, who owns controlling stock in U. S. Steel.

"Here is Felix Hart, a forestry professor at Clemson College."

"Well, what do you think of the class of '59?" I queried.

"I should not be surprised some day to see one of this class elected President of the United States," replied Clarence Helderman, owner of the Winn-Dixie Stores.

Having completed our tour, I returned to my office in the Department of Agriculture.

Farewell

Soon the Senior Class of '59 will leave to journey down the Road of Life. As graduation draws near, we must say farewell to dear old Oak Hill High. . . farewell to our high school days, to the trials and triumphs, and to the teachers and friends we love so dearly.

We each must go our separate ways, but in our hearts we will always hold many fond and cherished memories of our days at Oak Hill High School.

Farewell,

Dear Jerry,

It has been so much fun knowing you. Truly, it has been my pleasure!! How could these four years have passed so fast???

I shall always remember you for being so kind and sweet to me!! You are a very nice boy, too (one of the niciest!!!).

Don't forget April 10, 1958!!! It was a hectic time for you I know (all that rain and mud!!) but I enjoyed the evening and I hope you did, too, in spite of it all.

Jerry, you have been such a big help to me in school. In the future when I think back over my high school days, "you" will stand out as one of my best friends.

To a very deserving person - I wish all the joy, luck, happiness, and contentment life could possibly give you!!! At State, next year, I hope you are a whiling success. Remember me, if I do get to college. Maybe we'll see each other once in a while. I hope so.

Be good!! And don't forget dear ole Oak Hill High School.

your friend always,
Standa Brookshire

P.S.

Let's have fun in Wash. and New York!!

Jerry,

We have come a long way from the first grade 12 years ago. We have had our "scratchings" and "fussings" but as for me here in the twelfth grade I think you are a wonderful person. Even though I am happy at the prospect of graduating, I am sad because I will have to leave so many wonderful friends, such as you, behind. Always remember me and all my silly ways.

Much success to you. Always

Loraine Johnson
Sr. 58-59

Jerry,

I have enjoyed these past four years together. We have really had fun during our high school years and also we have had to really struggle on some of our subjects, but all in all it has really been wonderful high school days that we spent together.

Lots of luck to you as you go on to college and may you continue the good work and win success in the future.

Best Wishes,

Jerry,

I have enjoyed being in high school with you these four short years. I can say that some mighty fine people come from Dudley and you are one of them. You are a very likeable and intelligent boy and with these qualities and many others I know that you will go far in life.

Best of Luck in college in life and everything else.

Jerry,

I have really enjoyed going to school with you all these many years. It took forever for us to reach the point when we became seniors and now it's almost over. I'm a little bit sad and very glad, though. I enjoyed going to school with all its little pleasures and heartaches, but I'm going to be very happy when I walk out of the door for the last time. I'll miss all my friends and the good times we've had together, but most of all, I'll miss my friends from Buckley. There is where all the special good-times took place. You've meant a lot to me individually Jerry, and I'll always remember you as one of my closest friends. May you have success in all that you undertake in the future.

Best Wishes; Good Luck & Good Bye

Jerry,

It certainly has been a pleasure going to school with you these past four years. We've had lots of fun together and we have been through some rough classes, but not nearly so rough as State. I hope we can make it through four years. I'm surely looking forward to our Washington trip - Best Wishes for Luck, Success, and Happiness.

Jerry,

I have enjoyed being your friend these past years. We've had our fun and I hope we have a lot more together. I hate to leave you and the times we have had at Oak Hill but maybe it will be just as nice at State. Ha! Course we'll be doing a whole lot more studying there than we did here. I will always remember the things we did together and hope you do to. Here's wishing a very deserving fellow the best of everything. Best wishes and good luck.

A friend always,

I hope that we will both be in college together four years from now. ~~if you are~~ I hope you will have the education to go on and be a great person in engineering physics. I wish you the best of luck in everything you do.
